This application is subject to the Standard Terms and Conditions as contained in the Company Tariff on file with the Board of Public Utilities and is available upon your request.

- 1) The company shall, upon notice reasonably given, has the right to discontinue or disconnect service for the following reasons:
 - a) For the purpose of making permanent or temporary repairs, changes or improvements in any part of its system;
 - b) For the compliance in good faith with any governmental order or directive notwithstanding such order or directive subsequently may be held invalid;
 - c) For any of the following acts or omissions on the part of the customer:
 - i) Nonpayment of a valid bill due for services at present or previous location. The customer(s) of record whose name appears on the bill shall be held responsible for utility service rendered.
 - ii) Tampering with any facility of the utility including connecting or disconnecting the meter.
 - iii) Customer moving from the premises, unless the customer requests that service be continued.
 - iv) Providing a utility's service to others without approval of the utility;
 - v) Failure to make or increase an advance payment or deposit as provided for in these regulations or utility tariff;
 - vi) Failure of the customer to comply with any standard terms and conditions contained in the utility's tariff;
 - vii) Failure of the customer to repair any faulty facility of the customer including meter pits and service lines.
 - viii) For refusal of reasonable access to the customer's premises for necessary purposes with rendering of service, including meter installation, reading or testing the meter, or maintenance or removal of the Company's property.
- 2) Meters shall be located in a clean, dry, safe location, easily accessible, and not subject to great variations in temperatures. The customer is responsible for protecting the Company's water meter and in the event the meter is damaged due to freezing, or other acts of negligence, shall pay the cost to repair or replace the meter.
- 3) A customer wishing to discontinue service must give at least 2 short working days notice to that effect. Where such notice is not received by the utility; the customer shall be liable for service until the final reading of the meter is taken

I have read the above terms and conditions set forth by the WATER COMPANY and agree to abide by them as a condition of service.
