

Department of Environmental Protection – Division of Water Supply & Geoscience

Do Not Mail. Form MUST be submitted via Portal.Due
December 31**Annual Certification Form for Public Community Water Systems**Name of Public Community Water System: Gordons Corner Water Co.PWSID#: NJ1326001Licensed Operator(s) of Record: W# 616520T# 556906

In accordance with the Water Quality Accountability Act (P.L. 2021, c.262 (C.58:31-6)), annual certification of compliance with certain State and federal requirements is required by the following individual* from public community water systems with >500 service connections:

- The Responsible Corporate Officer (for investor-owned systems),
- The Executive Director (for MUA's), or
- The Mayor or Chief Executive Officer (for municipally owned systems).

*Signing authority MAY NOT be delegated. For systems which do not have an organizational structure which provides the referenced title, the Department must first be contacted to confirm that the individual with the equivalent role may certify this form.

For each "Requirement" listed below, check "Yes" to certify that the purveyor is in compliance with that "Requirement" or "No" to certify that the purveyor is not in compliance with that "Requirement" for the current year. For each "Requirement" in which the purveyor is not in compliance, explain the nature of the non-compliance and what efforts the PWS is making to return to compliance. Please add additional pages if needed for explanations.

Yes	No	Requirement
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Compliance with Federal Safe Drinking Water Regulations <i>(Title 40, Code of Federal Regulations (40 CFR))</i> <i>If no, explain the nature of the non-compliance and what efforts your water system is making, as well as a timeline, for an estimated return to compliance.</i> _____ _____
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Compliance with New Jersey Safe Drinking Water Regulations <i>(N.J.A.C. 7:10)</i> <i>If no, explain the nature of the non-compliance and what efforts your water system is making, as well as a timeline, for an estimated return to compliance.</i> _____ _____
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Compliance with Licensing of Water Supply and Wastewater Operators <i>(N.J.S.A. 58:11-64 to 58:11-73 and N.J.A.C. 7:10A)</i> <i>If no, explain the nature of the non-compliance and what efforts your water system is making, as well as a timeline, for an estimated return to compliance.</i> _____ _____

I, Eric Olsen am the individual required by the WQAA to certify that my system is in compliance in the period of time from January 1st, 2025 to 12/09/2025, 2025.
